

YOUTH CAMP & EXPEDITION PROGRAM

A Youth Character Development Program

Youth Camp & Expedition Program is the first outdoor Adventure program using *Experiential Learning* methodology for Youth designed for Developing Character. In the great outdoors, Youth will explore their strengths and use them as powerful resources; they will also learn to work together in a Team therefore be an effective and fair team player.

The key Developmental Focus of Youth Camp & Expedition Program:

1. Self Confidence

Believing that own body, mind and spirit are effective resources

The program will develop a 'can-do' attitude in participants

2. Self Reliance

Being able to trust self and capitalize on personal resources to make effective decisions

The program will develop participants to rely on self in facing challenges

3. Team Work

Being able to be an effective and fair team player that may require self to be a follower or leader

The program will develop participants to be interdependent in a Team environment
